SARS CoV2 Baseline Viral Testing

To protect the health and safety of all workshop participants, as well as Virology Laboratory Faculty and staff, it will be requested that:

All participants confirm they have been free of COVID-19 for the past 7 days at Laboratory arrival.

All participants will have to complete a baseline viral test for SARS-COV-2 within the first 24 hours at IMT. Virology laboratory will administer the test at no cost to each participant.

Practical and theoretical will be held at Sao Paulo Tropical Medicine Institute following University of São Paulo's policies and guidelines regarding public health precautions. Exceptionally, practical classes may be canceled if there is any regulation in this regard, due to the epidemiological situation of COVID 19, in the city of São Paulo.
